OAKWOOD STOCK FARM ANNUAL SALE

MONDAY, NOVEMBER 11, 1946

GENERAL INFORMATION . . .

This auction sale will be held at Oakwood Stock Farm, owned by C. B. Teegardin & Sons, Ashville, Ohio, on Monday, November 11, 1946.

The sale will start at 1:00 P. M. Lunch will be served at the farm.

Oakwood Farm is located 16 miles from the city of Columbus, Ohio. To reach the farm from Columbus, take U. S. Highway No. 23 south, ten miles to Oakwood Stock Farm sign at cross road. Turn left and go through Duvall, Ohio, six miles east to Madison Township School. Turn right to farm — one half mile.

We ask all who travel by train to advise us in advance so that we can meet them in Columbus.

We suggest that you come to the sale early so that you will have an opportunity to inspect the Oakwood herd of breeding cows as well as our herd bulls — Gosshall Ximines, Oakwood Nonesuch, Oakwood Crown Command and Alpine Sensation.

The auctioneers will be J. E. Halsey, Paul Good and Hamilton James.

Those unable to be present and who desire to do so may send buying orders to any of the following men, all of whom will be in attendance: Hal Longley, The Shorthorn World, Aurora, Ill.

WE INVITE YOU

We extend a cordial invitation to every Polled Shorthorn enthusiast to be our guest at Oakwood, Monday, November 11th, 1946.

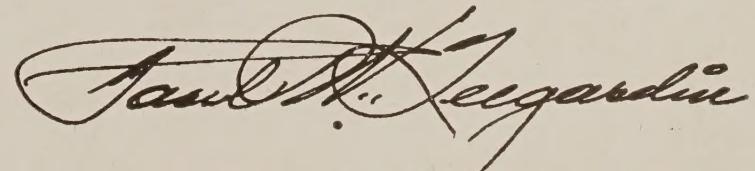

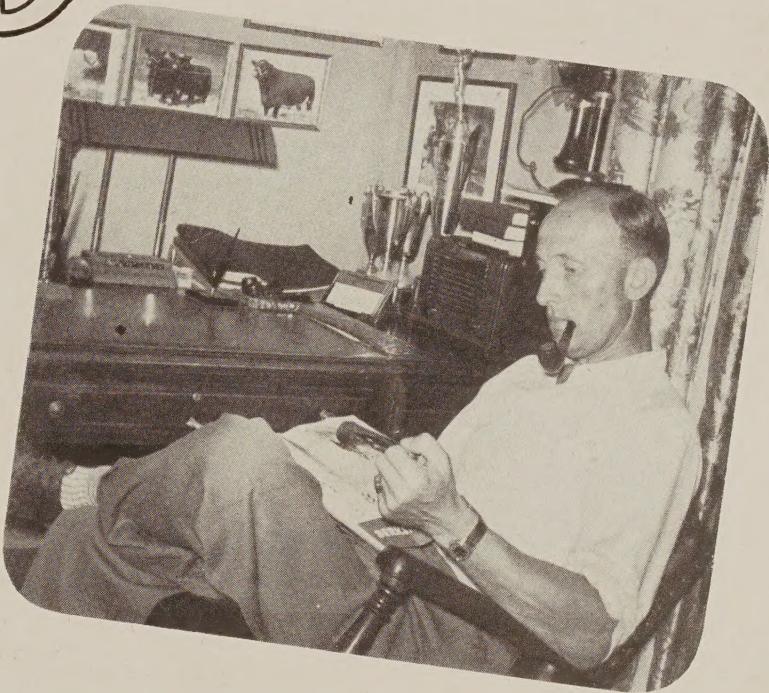

This is to be our SEVENTH ANNUAL SALE at the farm. Each year every effort has been made to offer a stronger lot and the buying public has accorded us gratifying support. This year we offer our best. We hope you will be here to justify our claim.

Eight International Grand Champion bulls have been developed and used here. Their influence will be apparent in the offering. Three of them have daughters selling.

Gosshall Ximenes x, Oakwood Nonesuch x, Oakwood Crown Command x and Alpine Sensation x represent the most outstanding and impressive battery of herd sires we have ever owned and with them we face the future with confidence.

The old State Fair Show Circuit is again a reality and Oakwood exhibited at three of the shows. We invite a comparison of our winnings. We hope you will inspect our two Grand Champions, Alpine Sensation x, the Grand Champion bull and Gloster of Oakwood B x, our Grand Champion female. Most of the show herd is selling, for it has always been an Oakwood policy to sell the top kind — the same type and quality that we would want to buy.

We whole heartedly recommend this offering as our best. We trust that those who buy them will be numbered among our best friends and boosters in the future.

Plan now to attend the most important Polled Shorthorn event of the year . . .

Paul W. Teegardin Jr. and his two 1945 club steers . . . both sired by Imp. Gosshall Ximenes.

If you come to the sale by car, please invite your neighbor breeders to ride with you. If you come by train or bus, simply go to the Neil House in Columbus and we will provide transportation to the farm if NOTIFIED.

We will do everything in our power to insure the safety of sale day guests but we assume no liability for accidents of any nature.

It seems almost useless for me to prepare a testimonial statement for the 1946 Oakwood sale because each page of this catalog provides convincing evidence that the Teegardins have gone all out to make this the finest offering in Oakwood history. Although the pictures are indicative of great quality and the pedigrees are unusually strong, my inspection of the offering convinced me that the cattle are even better than this catalog can possibly portray.

For more than a quarter of a century the owners of Oakwood Stock Farm have taken the champions of the greatest live stock shows as their pattern and have made use of the blood of these champions in moulding animals of superior type and quality. The 1946 sale offering is a wonderful testimonial to their efforts.

DID YOU KNOW THAT....

H. L. Straus, Cherry Hill Farm, Reisterstown, Maryland, purchased a heifer bred to Oakwood Nonesuch x in our 1943 annual sale. The calf from this mating was Cherry Hill Clara x, top selling female at the 1946 Polled Shorthorn Congress. R. M. Giesy Jr. purchased her for \$1400 to be used as a foundation female.

* * *
Lynnwood Lavender A x, grand champion at the 1946 Indiana State Fair is out of Oakwood Lavender 12th x, purchased in our 1940 Annual Sale by Lynnwood Farm.

* * *
Augusta Lady 18th x, purchased in our 1943 sale by Dr. & Mrs. Parke G. Smith, Cincinnati, Ohio, was carrying Misty Vale Nonesuch x, sired by Oakwood Nonesuch x. This bull topped the 1945 Polled Shorthorn Congress, selling for export to Australia where he is heading the F. S. Simpson herd.

* * *
In our 1941 sale E. A. Dudley purchased Royal Miss x bred to Coronet Command x. This fine heifer had a bull calf, Royal Coronet x. The calf now heads the Dudley herd. Mr. Dudley bred Royal Coronet x to Victoria of Oakwood x, another heifer purchased in our 1941 sale. The calf by this mating was recently made grand champion female in the 1946 Shenandoah Valley Sale at Winchester, Virginia.

* * *
Cherry Hill Hallmark x topped his class at the 1946 Polled Shorthorn Congress and sold at \$2050, second top price of the event. He had been purchased in dam in our 1943 sale when Cherry Hill Farm, Reisterstown, Md., bought the bred heifer, Oakwood Gloster x for \$1000. He now heads the herd of J. C. Banbury, Plevna, Kansas.

* * *
Oakwood Magic King x, purchased in our 1941 sale to head the herd of Leemon Stock Farm, sired the first prize pair and the two top selling females in the 1944 Purdue Sale, LaFayette, Ind.

* * *
Oakwood Commander x, 1940 International grand champion bull, sired the grand champion and top selling bull in the 1943 Missouri State Polled Shorthorn Breeders' Sale for his owner, George E. Smith, Keokuk, Iowa. They averaged \$683. The sale averaged \$295, a bonus of \$388 for Oakwood breeding.

* * *
The first 4 heifer calves by Oakwood Esquire x, a son of Oakwood Merry King x, were sold at Columbus last November. They averaged \$700 per head. The sale averaged \$375 — a bonus of \$325 per head for Oakwood breeding.

* * *
Loch Dale Gloster O x, 1943 top female of our sale, was purchased for \$2500 by Cherry Hill Farm. She was mated to Imp. Gossshall Ximenes. The calf, Cherry Hill Gloster O x, was the reserve champion and top selling female of the 1945 Polled Shorthorn Congress.

In the 1944 Illinois State Sale Leemon Stock Farm, Hooperston, Illinois, sold four calves sired by Oakwood Magic King x for an average of \$375. The sale of 77 head averaged \$272. Over \$100 per head premium paid for Oakwood breeding.

* * *
Dr. Parke G. Smith sold the champion and top bull of the 1944 Ohio Polled Sale. This \$1000 bull was a product of Oakwood breeding. Another Oakwood bred calf sold for \$625 in the same sale.

* * *
The 1946 reserve champion female at the Maryland State Fair was exhibited by Cherry Hill Farm, Reisterstown, Maryland. She is out of Nonpareil Golden Lady x, purchased in our 1943 sale.

* * *
Did you realize that the \$4700 Oakwood Command x was sold as a calf at foot with his dam in our 1942 sale to Mrs. Abram Hewitt, White Post, Va. The pair cost \$910. Oakwood Command x topped the bull sale at the 1944 Shenandoah Valley Sale when we bought him to become the junior herd bull at Oakwood.

* * *
Eleven of the cattle in the 1945 Polled Shorthorn Congress were by Oakwood sires or out of Oakwood dams. They averaged \$733 — \$222 above the general average. All were first prize winners. Three were bred at Oakwood. These three averaged \$1533 or \$1022 above the average of the sale.

* * *
Sixteen head in the E. P. Laughlin, Imogene, Iowa, consignment to the 1944 Omaha Sale were by Oakwood Impression Jr. x, a grandson of Oakwood Royal King x. They sold for an average of \$310 per head while the sale averaged \$260. A bonus of \$50 per head or \$800 for Oakwood breeding.

* * *
Approximately 3/4 of the cattle in the 1945 Shenandoah Valley Shorthorn Breeders' Sale were directly descended from Oakwood seed stock. The top animal was a \$600 daughter of Oakwood Merry King x consigned by Mrs. A. S. Hewitt. Second high was a daughter of that same famous sire consigned by H. M. Fishpaw, Winchester, Virginia.

* * *
The 1946 Reserve Champion bull in the Polled Shorthorn Congress was purchased in dam from Oakwood Farms by Cherry Hill Farm in our 1944 sale. She was mated to Imp. Gossshall Ximenes.

* * *
R. M. Giesy Jr. purchased Browndale Sunray x mated to Oakwood Command in our 1945 Sale at \$750. The bull calf she was carrying was sold at three months of age for \$600.

* * *
Oakwood Regal Crown x was purchased by Alpine Farms, Lexington, Mo. from us before he was the winning summer yearling bull at the Illinois, Ohio and Indiana State Fairs. His daughter Gipsy Maid 32nd x sold at \$1500 to R. M. Giesy III, Lancaster, Ohio in our 1945 Sale and dropped a dark roan heifer calf by Oakwood Crown Command two weeks later. A bid of \$1000 for the calf has been refused.

* * *
The top female in the 1946 Shenandoah Valley Va. Sale at \$11000 was sired by Oakwood Pure Gold, who topped our bull sale in 1941, selling to Montana Hall and Farnley Farms at White Post, Va. The prosperity of American Agriculture rests on the Live Stock Industry. Then why not buy champions where champions are bred?

Extra Profits . . .

Our pride is caused not alone by the fact that public approval of Oakwood Polled Shorthorns has given us the top auction sale year after year. More important to us is the fact that the cattle sold in these auctions have been making money for the buyers. In every major Polled Shorthorn sale where the get of an Oakwood sire or the produce of an Oakwood cow has been offered, the consignor has received a handsome bonus over the average price. The figures prove conclusively that it doesn't take long to pay for an Oakwood bred animal through EXTRA PROFITS. Ask any man who has owned one!

OAKWOOD ROYAL KING x

For five consecutive years the "get of sire" class at the International Livestock Exposition was headed by the sons and daughters of the International grand champion, Oakwood Royal King x. No other Polled Shorthorn bull has ever equalled or even approached this record.

On the following ten pages will be found the pictures of some of the famous sires that have been used at Oakwood Stock Farms as well as the pedigrees of those that are at present in service. Those who study this section carefully will know why the top auctions have been held at Oakwood each year. Oakwood bred Polled Shorthorns make good because they are BRED to make good. The position of your herd can be strengthened by the purchase of such seed stock. . . and the best ever offered from the Oakwood herd are in this sale.

Imp. Gosshall Ximenes —

When Gosshall Ximenes was sold at the 1942 International Shorthorn Sale, Shorthorn breeders were unanimous in their opinion that he was the greatest prospect for a sire that had been offered in a generation. That he should sell for the top price at auction in this country in over two decades, was indicative of their confidence in his future.

At that time we had in service at Oakwood three International Grand Champion bulls, but we felt that Gosshall Ximenes could write a new chapter in Polled Shorthorn achievement to use him upon the daughters of these bulls and, in cooperation with Montana Hall, we purchased this bull at \$5700.

His sire, Coldoch Union Jack, was the Supreme Champion at the Perth Show in 1932. That he has proven himself an equally noted sire is now history. Through Coldoch Union Jack and his second sire, Beaufort Overture, Gosshall Ximenes is line bred in the blood of Naemoor Jasper, the top sire of Scotland over a long period of years. While through his third sire, Collynie Nobleman by Balcairn White Eagle, sire of Collynie Royal Leader, he gets an infusion of that most prepotent blood.

It is significant to note that the 1939-1940 and 1941 Perth Supreme Champion bulls represented the combined influence of Collynie Royal Leader and Naemoor Jasper bloodlines and in the inheritance back of Gosshall Ximenes leaves no doubt in our minds that his individual excellence and outstanding type will be transmitted to his get and they, in turn, to their get.

Twelve sons and daughters have been sold in the past two Oakwood Sales for an average of \$1675. A son was the Reserve Champion bull in the past Congress Show and Sale. Another son topped his class and brought the second top price of \$2050. His daughter, Gloster of Oakwood B, has been crowned the Grand Champion female at the Ohio, Maryland and West Virginia State Fairs. His sons and daughters selling this year are of the same high standard of merit. We believe that these calves selling and those sold in the past, plus the record of his get in the shows, establishes beyond question of doubt that Gosshall Ximenes is the most impressive sire of this era. Due to an injury it is doubtful if he will be of further service. We regret this exceedingly but realize the calves to be sold and the heifers carrying his service will be more eagerly sought after.

Oakwood Nonesuch x —

Oakwood Nonesuch x has been generally accepted as one of the most outstanding bulls of the breed. We only regret that there have been no shows these past years so that his record might have been a part of the written annals of the Polled Shorthorn breed. Judges of ALL breeds call him one of the greatest of ANY breed. He has been out of service for a long period but we are happy to report that he is now settling his cows and a liberal number of our best producers are being mated to him. His daughter, Cherry Hill Clara x, topped her class at the 1946 Congress Show and topped the sale at \$1400 to become a member of the very select herd being established by R. M. Giesy, Jr., Lancaster, Ohio.

We expect to offer his sons and daughters in future sales and we know that they will be of unusual merit.

Alpine Sensation x — Last year we said —

We present Alpine Sensation x with a confidence that in him, we have the "most of the best" in any bull we have seen this year. He was Reserve Champion bull in the Polled Short-horn Congress, showing in only medium condition. He is bred to be a champion. Collynie Impression x sired the 1943 and 1944 Grand Champion bulls in the Congress Shows and Alpine Sensation x is his greatest son. His dam is a granddaughter of Daybreak's Collynie x, son of the International Grand Champion Lord Collynie x and Scottish Daybreak 9th x, International Grand Champion female. Line bred in the blood of Lord Collynie x, we rate him the most outstanding bull of that dynasty that we have ever seen. He's the shortest legged bull we know of. He's thick, deep bodied, compact and he carries a full deep quarter. His legs set squarely on each corner and he walks out a true champion with style and class. We expect to use him liberally in our herd and we plan to head our 1946 show herd with him. Study him from every angle on Sale day and you'll understand our enthusiasm for him and his future!

We would add —

At each show Alpine Sensation x has been crowned the Grand Champion Bull and he's a better bull in every respect than he was in 1945. His first calves have arrived and each one is an outstanding prospect. That he should be such an impressive sire as well as the TOP show bull of the year justifies our complete confidence in him. See him and his calves on Sale Day and decide for yourself! Sure! you'll want heifers mated to him! Who wouldn't!

Oakwood Crown Command x —

Oakwood Crown Command x is a type study in Polled Shorthorn excellence. He is one of the shortest legged bulls we know of. He has a lot of natural thickness and he has remarkable depth of body. His shoulders are smooth and his quarters are full. His is the head of a sire and he is another 100% de-horned. His first two calves were dropped just prior to our 1945 Sale and we were certain he was the answer to our problem of a sire. We have used him liberally in the past year and we are most enthusiastic about the calves that are being dropped. They are good colored, thick, low set and full quartered. We invite everyone to inspect them and we know when you do that you will understand our enthusiasm for him.

Coronet Command x, his sire, was the Junior Champion at the 1940 International and the undefeated Grand Champion of 1941. The dam of Oakwood Crown Command x was bred at Oakwood and sired by Sultan's Challenge x, a dark roan grandson of Beauty's Sultan x that went to Australia where he was used by Douglas Munro. The second dam was by Oakwood Royal King x and was a full sister to the 1934 International Grand Champion, Oakwood Regent x. Her dam produced three bulls to win championship honors at the Internationals!

With such inheritance and performance to support his individual excellence we feel secure in his unlimited use. We feel certain you will share our belief in Oakwood Crown Command x.

Oakwood Command x —

Oakwood Command x became the top selling bull of the breed at auction when he was sold in our 1945 Sale to Marshal Boyle acting in behalf of J. T. Scrymgeour, Netherby, Warwick, Queensland, Australia.

Everyone agreed that he was one of the best stock bulls that the breed has produced. He looked a sire and he was bred to be one.

Australian breeders and the press were loud in their acclaim of "best Polled Shorthorn bull ever imported" — "certain to be a sire" — and that was immediately upon arrival after a fifty day trip on the boat!

This sale features two of his daughters and that is all we are going to sell. We hope some breeder will be far sighted and buy them both!

Oakwood Lieutenant Commander x —

Oakwood Lieutenant Commander x left Oakwood last year to head the herd of King Bros. of South Africa who made their initial purchase from us in 1939. The price was \$4000 and King Bros. were determined to have him. We were reluctant to part with him for his calves were most promising. They have developed well and Senor Arocena of Uruguay selected his solid red son, Oakwood Ambassador at the top price for a bull calf in 1946. Three daughters and one son, Oakwood Graduate who is our winning senior bull calf, are selling in this offering. They will support our contention that he was a top sire.

Oakwood Mercurian —

Oakwood Mercurian is to stay at Oakwood to take the place of Oakwood Lieutenant Commander in our herd bull battery. He is a duplicate of his International Grand Champion sire and his dam is not only a granddaughter of Oakwood Emperor, but brings to our herd a cross of the Supreme Perth Champion, Calrossie Mercury. Consider his color, his head and front, his shortness of leg, his perfect tail setting and rear quarter and you will agree that he promises well. He looks a sire. His inheritance guarantees his future!

Coronet Command

Coronet Command was the undefeated Junior Champion bull at the 1940 Illinois, Iowa and Nebraska State Fairs before we purchased him to bring him to Oakwood. He was made the Junior Champion bull at the International shortly afterward and came back in 1941 to be crowned the Grand Champion bull of the year at the Ohio, Maryland and Virginia State Fairs and the International. He has proved his ability to pass on his unusual thickness, depth of body, full quarters and compactness to his calves. He was sired by the 1937 International Junior Champion Cherry Coronet, who, in turn, was by the International Grand Champion Count Coronet. Count Coronet was by a half brother to Oakwood Royal King and we are thus continuing our line breeding policy. See his calves and you will appreciate why we are so enthusiastic about him. Study his son, Oakwood Crown Command and you will agree you have never seen a thicker, more compact bull in the breed's history.

Oakwood Merry King

Oakwood Merry King — Was the undefeated junior champion of 1938 at the International, the Illinois, Ohio, Indiana and Virginia State Fairs. In 1939 he was the undefeated grand champion at the same shows. The record of his get in the best shows of both 1940 and 1941 is now history. Oakwood Merry King died in 1944 and we assure the buying public that the one outstanding daughter listed in this sale will be the last we will offer. The sales of the past three years rate him as the breed's best sire. His get have made good everywhere.

Oakwood Emperor

Oakwood Emperor — himself the top sire of the breed by the winnings of his sons and daughters at the leading shows of 1938-39-40-41. He was the undefeated Grand Champion bull of 1936 at the International, the Texas Centennial and the Illinois, Ohio and Indiana State Fairs. He is a son of Oakwood Royal King who was 1930 International Grand Champion and the greatest sire of the breed in the past decade. The dam of Oakwood Emperor was by the 1927 International Grand Champion Oakwood Baron who also sired Oakwood Rodney, 1929 International Grand Champion. Oakwood Pure Gold, a son of Oakwood Emperor, was the grand champion bull at the 1941 National Polled Shorthorn Show and was the top selling bull of our sale in 1941. Oakwood Estelle 15th, a daughter of Oakwood Emperor, was the top selling female in over two decades when she was purchased in our 1941 sale at \$1200 by Dr. Parke G. Smith, Cincinnati, Ohio. Oakwood Emperor died in 1944 and this sale provides the last opportunity to buy his get.

WORTH CONSIDERING WHEN YOU'RE BUYING SEED STOCK

- 1.** Eight International grand champion bulls have been developed and exhibited by Oakwood Stock Farm.
- 2.** All eight of these bulls have been in service in our herd, where we have mated them to the most outstanding cows we could produce and that money could buy, always satisfying ourselves in each case that their breeding and inheritance were absolutely right!
- 3.** The Oakwood show record stands unparalleled!
- 4.** At the past sixteen Internationals, Oakwood Polled Shorthorns have won thirty championships, one hundred thirty-seven first prizes and eighty-eight second prizes!
- 5.** It is an honor to any herd to have in use a bull capable of siring a winning Get of Sire Group at this great show. We feel it noteworthy to emphasize the fact that seven times we have bred and shown this most coveted group to win first place at the International Livestock Exposition.
- 6.** In a nation-wide contest conducted by The Shorthorn World, Oakwood Royal King was voted by popular ballot to be a two to one choice as the breed's greatest sire of all time! Oakwood Royal King spent his entire life of service here in the Oakwood herd!
- 7.** As further evidence of the influence of Oakwood Royal King in breed improvement, we submit to you the fact that, with his sons and grandsons, we succeeded in heading the class for the best three bulls at the International Livestock Exposition for ten consecutive years! (In 1938 and 1941 we stood both first and second in this class.)
- 8.** These records, a general acclamation of the best judges in this country, provide conclusive proof of the superior performance of the animals that have resulted from the carefully outlined program of the Teegardins.
- 9.** PUBLIC APPROVAL gave us the top sale of the breed in 1940. By the same token we were accorded the top sale in 1941. We repeated in 1942. Our 1943 offering was still better. 1944 topped them all. The 1945 sale was again the top for the year. This year we present our BEST and strongest offering.

Oakwood Essender x

Solid red, short coupled, deep bodied, full quartered, a perfect tail setting and short legs! That's what you find in Oakwood Essender. He has always been a favorite with visitors and he could easily be the top bull in most shows and sales. The judges have liked him and placed him second to Oakwood Graduate.

Don't forget the admonition of successful breeders about the selection of your herd bulls, advice tested and found faultless. First, get an outstanding individual. Second, be sure his inheritance substantiates his individuality.

Third, be sure he is sired by an outstanding bull. Fourth, his dam should be the kind of a cow that you want your cow herd to be. We feel that Oakwood Essender qualifies on each of the four counts and as such, he should deserve serious consideration.

Gosshall Ximenes, Oakwood Emperor, Oakwood Baron and Naemoor Druid represent sires of distinction in any pedigree and time will surely give Oakwood Essender the same rating.

Oakwood Graduate x

Oakwood Graduate could be as great a sire as we have ever produced and we hesitate to see him leave Oakwood. He not only represents a calf good enough to top his class at the fairs but he represents new blood for the Polled Shorthorn fraternity.

This Phingask Myrtle family has produced the top cattle for years at Edellyn and in the Douglas herd in Canada. We had to pay the top sale price to secure Strowan Myrtle, but we considered her as good as any female of her family we had ever seen and we felt we needed her kind at Oakwood. Moreover, she was a granddaughter of Calrossie Graduate who was a son of the Perth champion, Calrossie Control. Further, she was out of a granddaughter of Browndale Pilot which made a perfect picture. Her second dam was sired by Imp. Brawith Boy, the only Scottish Highland Champion to ever come to North America. Next we find a cross of Collyne Royal Leader and then a son of Browndale Count.

We present Oakwood Graduate as the testimony of our confidence in the wonderful inheritance of his mother, Strowan Myrtle. His sire went to South Africa last year at \$4000 to head the King Bros. herd. We feel that, had he never sired anything but Oakwood Graduate, he could be rated as a top sire.

History will surely be made by the new owner of Oakwood Graduate! Who will it be?

GUINEA GOLD x2276146

Roan, calved Jan. 12, 1945. Bred by Mrs. Abram S. Hewitt, White Post, Va. Owned by C. B. Teegardin & Sons, Ashville, Ohio.

Guinea Gold x

Guinea Gold is the undefeated Junior yearling bull at the Ohio, Maryland and West Virginia State Fairs, the latter show being in horned competition. He isn't highly fitted and we rate him as a bull who should be a champion in next season's shows. He has a good head, smooth, and with a sharp poll. He is a bull with a lot of naturally thick flesh, depth of middle, a perfect tail setting and hind quarters that are full and deep. His shoulders are smooth and his hide is the best.

His sire topped our 1944 Sale and was the undefeated two year old bull of the season. He has been a 100% de-horned and sired the \$1100 top female in the last Shenandoah Valley Sale. His dam could be the dam of anyone's herd bull, a model of brood cow excellence, solid red and a daughter of the International Grand Champion, Gainford Marshal.

Few of his kind have been produced and rarely can they be bought.

Oakwood Grandeur x

Oakwood Grandeur could be the most valuable bull to sell in 1946. Why? A son of Gosshall Ximenes is the first reason, and enough perhaps, but when his full sister became the 1945-46 Grand Champion female it ceased to be idle speculation for good judges rate her as the outstanding female produced to date. Another full sister is one of the top females in the Cherry Hill herd and she must be GOOD to get THAT rating.

Grandeur's color is rich, he has a smooth head, is very deep bodied, thick and even topped with a tail setting that is right and bone that bespeaks a stock bull. He looks like a sire and he is bred right to prove it.

We do not know his worth but we do know that owning such a bull as this will put some breeder in the top bracket for the future!

Alpine Imprint x

Alpine Imprint is a solid red bull of the same pattern as Alpine Sensation, our 1946 Grand Champion bull. His dam is a solid red sister to the 1946 Grand Champion female at the Nebraska State Fair. This family is noted for being producers of the top kind. This bull has a smooth polled head. He is short coupled, thick, low set, level and has ample bone. He very much resembles Alpine Sensation at the time he came to Oakwood and his real worth as a sire is unquestioned. His type, his color, and his inheritance guarantee his future.

Oakwood Modern Trend x

If you desire a solid red grandson of the Perth Supreme Champion, Coldoch Union Jack, and one that looks like a true champion himself you'll be bidding on Oakwood Modern Trend. He is easily one of the best yet sired by Imp. Gosshall Ximenes and if you want a bull to head your show herd next season he will DO! He has the head of a sire and he is very closely coupled, wide of top with a tail setting that is level and full. He is short of leg, full quartered and thickly covered. Every inch of him is a prospect of real promise!

A full sister to Oakwood Modern Trend is the heaviest milking heifer we ever owned and she is priceless to us. His dam is one of our best cows and one of our top producers. Any REAL SIRE must INHERIT that right. To that end we ask your consideration of his background. Three International Grand Champion bulls topped by Gosshall Ximenes. Could a stronger guarantee possibly be written?

If some far sighted beginner had the courage to buy the ten best females in this offering along with the best bull in the sale, within the span of five years that beginner would be recognized as owning the best Polled Shorthorn herd in the country. He would not have the MOST cattle but he would be sure to have the BEST.

About the Females in This Sale...

This sale represents more planning than any sale previously held at Oakwood Stock Farm. Ever since we started holding annual auctions, an effort has been made to provide the kind of cattle that buyers are most anxious to secure. A year ago we canvassed the sale visitors in an effort to determine their needs and most of them urged us to include in our 1946 sale offering more heifers in calf to our famous herd bulls. You will find our answer in this catalog. Thirty-six beautiful heifers are in calf. Seventeen are bred to the 1945-1946 undefeated grand champion Alpine Sensation x. Fourteen are in calf to Oakwood Crown Command x whose first calves convince us that he is one of the best sires in Oakwood history. Four heifers will carry the service of the noted Imp. Gosshall Ximenes. Those who buy females in this sale will earn quick dividends.

We ask you to note carefully the strong Scotch families that are represented as well as the number of females that have been produced through the blending of the blood of SEVERAL International grand champion bulls.

Weigh the worth of females of such matchless inheritance. Never in the history of the breed has their kind been available in such numbers.

Oakwood Rosewood 24th x

Let us consider the possible purchase of Oakwood Rosewood 24th. Let us consider it very carefully and seriously.

If we at Oakwood can say to you, "from top to bottom her pedigree is a delineation of the best in Shorthorn achievement" and "individually she's well nigh perfect" and "we honestly question if we have ever offered a female of greater value" — then how can you fail to get on those sale seats and bid 'til she's YOURS! Your dividends? Absolutely no gamble. Here's why:

We realize that our own progress at Oakwood will be restricted without this heifer, for she is not only a daughter of the \$4700 Oakwood Command, exported to Australia last year, but her dam is likewise the dam of our sensational Junior herd bull, Oakwood Crown Command. Her dam was sired by the \$2000 Sultan's Challenge who was exported to the Munro herd in Australia. Her second dam, by the peer of sires, Oakwood Royal King, is also a full sister to the 1934 International Grand Champion, Oakwood Regent. Her third dam produced three bulls to win International Championship honors.

Oakwood Command DOES have another daughter in this sale. WHAT a pair!

We would very much prefer to keep Oakwood Delight D at Oakwood than part with her, for she is not only an outstanding brood cow prospect, but she is a daughter of Imp. Gosshall Ximenes whose dam is sired by the peer of sires, Oakwood Royal King. That combination really clicks and we submit this heifer as evidence of our observation. Her dam is a full sister to Oakwood Harmony, three times a championship winner at the International and no family has produced more winners for Oakwood.

She sells mated to Oakwood Crown Command and his first calf from a daughter of Gosshall Ximenes is a sensation — NOTHING less!

Oakwood Rosewood 23d x

Oakwood Rosewood 23d topped her class of seven in HORNED competition at the West Virginia State this year! Her beautiful pedigree completely confirms that "every inch a brood cow" appearance which is hers and for which we all seek in buying foundation females.

She is a daughter of Gosshall Ximenes and out of one of the best colored rich roan daughters of the peer of sires, Oakwood Royal King. This heifer's second dam is a daughter of the International Grand Champion, Oakwood Baron, who sired the 1929 International Grand Champion, Oakwood Rodney. Her third dam produced three sons, each a championship winner at the International. With such back-ground as this her future is practically certified! Your calf, out of this heifer and sired by the great 1945-46 Alpine Sensation Champion, can scarcely fail to be a "supreme" of the breed. A top herd bull for you? A "forever yours" foundation cow for your herd? Which?

Oakwood Rosewood 22d x

When we sorted our sale offering we did it with a thought of the buyers, of our reputation for having sold cattle that have made good for their purchasers and with a desire to make this lot, unquestionably, our best. We lacked just one thing, a daughter of Oakwood Merry King, the bull who left so many good ones. He was not only 1939 International Grand Champion but a sire in the true sense. See his granddaughters in the sale and you'll know what we mean!

We resolved to sell one that we had originally planned would spend her entire life here — one of the best he had sired and here she is and due to calve right at sale time to Oakwood Crown Command, for he's the bull we felt would nick best with her.

Her dam is a real cow who raises two calves for us. She is sired by a Congress Champion bull. In fact, back as far as the celebrated producer, Imp. Rosewood 86th, every bull was a champion or sired by a champion — bulls that mean something to a pedigree.

That's why we chose this heifer to stay here and that's why she can write a new chapter for your herd — put you in the fore-front in REALITY! Such females NEVER cost too much if you want to BREED THE BEST!

Flora of Oakwood x

Flora of Oakwood could EASILY be the SENSATIONAL FEMALE of the 1947 shows. That beautiful deep bodied, good headed, short legged, thick, wide out, level, chock full of quality kind, she is truly a marvel. Flora of Oakwood sparkles from every angle. Her pedigree sparkles too, does it not? A daughter of the 1941 International Grand Champion, Coronet Command, she is out of the top female in the Shenandoah Valley Sale last spring. Browndale Thistle sired more top producing cows than any other son of the celebrated Browndale Count and Anoka Rodney was the greatest son of the ever popular Ballylin Rodney. Aristocracy from top to bottom!

A perfect inheritance, an ideal heifer. Isn't that the combination for which we should always be looking?

Oakwood Happiness 6th x

Oakwood Happiness 6th is a daughter of the 1939 International Grand Champion, Oakwood Merry King. We had planned to retain this heifer in our own Oakwood herd for her dam has been one of our most consistent producers of tops and she stands as full proof of the worth of the daughters of Oakwood Emperor in any breeding program. This family has produced many of our best, including Oakwood Harmony, three times an International Championship winner who was out of Oakwood Happiness. Three International Grand Champion bulls on top of Royal Count Jr. leave nothing to be desired in her inheritance. She sells mated to Imp. Goshall Ximenes and we consider that perfection!

Oakwood Rosewood 25th x

Oakwood Rosewood 25th is one that we hesitate to part with for we well realize that she is the kind that puts herds and herd sires in the lime light. In our opinion, Maxwalton Walkaway never sired a better one. This heifer's dam is one of the best breeding daughters of Maxwalton A Wun and we expect HER to stay at Oakwood until she dies.

This heifer pleases "all the way." Depth and thickness topped by a perfect head. Show prospect for next year. Foundation female around which to build a herd. None better to strengthen a top breeding herd. Backed by one of the strongest pedigrees in the herd book. She could be worth a fortune! SHE'LL do!

Juno of Oakwood is a sweet little lady who does further credit to her \$4000 sire, Oakwood Lieutenant Commander, exported last year to head the herd of King Brothers in South Africa. Remember, he also sired our winning Senior bull calf, Oakwood Graduate and Oakwood Ambassador, exported last July to Uruguay at a long price, where he will head the Arocena herd. Those who attended our 1945 sale will recall the outstanding Oakwood Justright, purchased to head the herd of Janes Brothers, Chillicothe, Ohio. He was out of the same dam. This cow is an ideal breeding cow of the famous Juno family that has produced so many of the breed's top cattle.

Sweet headed, deep bodied, level, smooth, full of quality, Juno of Oakwood can go into any herd with assurance of making a top matron — own her and she will prove it!

Claralan Sultan 3d x

Claralan Sultan 3d is a rich, roan heifer of unusual depth and thickness, combined with brood cow scale. She has been a member of our show herd and has stood well at the top on each occasion in fast company.

Her sire is a grandson of both Highland Stamp and Rosewood Renown, 1927 International Junior Champion bull. Her dam further combines the blood of Oakwood Royal King and Ceremonious Sultan and lends assurance to her future as a breeding cow. Study her well and remember that she is selling mated to the 1945-46 Grand Champion, Alpine Sensation. Good judges always choose her as a top and we are certain she will find a host of admirers on Sale Day.

And now we have the other daughter of the \$4700 Oakwood Command. Only to make dead certain that our 1946 Sale offering is a "stronger than ever before kind" do we part with such a wonderful heifer as Oakwood Happiness 8th.

This heifer is sired by Oakwood Command, admittedly one of the best stock bulls ever to leave the United States and this sale represents the one and only opportunity to buy his daughters. She is out of a solid red daughter of the International Grand Champion, Oakwood Emperor, who has produced top calves down through the years. Her dam is also a three-fourths sister to Oakwood Harmony, who was three times a championship winner at the International.

She is deep bodied, thick, level, good headed. She is a show prospect and of brood cow promise. She has it all. Her value cannot be questioned!

Ceremonious Beauty 2d x

Ceremonious Beauty 2d could be a top female in any auction and a top cow in any herd. Her head is near perfect. She has depth of body, thickness, spread of top and withal she is broody and short legged. At the Maryland State Fair she stood second to Cherry Hill Victoria, one of the top daughters of Imp. Gosshall Ximenes.

Her sire is one of the best breeding bulls ever to leave Oakwood and does credit to his International Grand Champion sire, Oakwood Merry King. Her dam is sired by the International Grand Champion Lee Dale Collynie and her next sire, Highland Stamp, was one of the greatest sires of his day both in this country and in New Zealand. Her third dam is by the five times International Grand Champion, Ceremonious Sultan. Then comes Lord Avondale, \$5000 son of the celebrated Avondale. Every bull in her pedigree made a contribution to breed progress and this heifer has just cause for her unusual promise.

She will be near calving to the service of Imp. Gosshall Ximenes and we predict one of his greatest calves!

Her excellence is inherited, her earning power is unlimited and her future is assured!

Oakwood Mistletoe 4th x

If you like them sweet-headed, deep bodied, thick, short coupled and chock full of quality, then you'll appreciate that Oakwood Mistletoe 4th is a sensation in females! She looks like a queen and does full credit to her \$4000 sire, Oakwood Lieutenant Commander, now in service at the head of the King Brothers herd in South Africa. We'd like very much to keep her at Oakwood, for her Edgcote Missie dam is one of our most consistent producers of good ones, a heavy milker and an own daughter of the Australian Grand Champion, Oakwood Consul.

Analyze her pedigree — it inspires confidence. Study this heifer from every angle for she is unquestionably a grand brood cow prospect; then consider the worth of her calf by the Grand Champion, Alpine Sensation, and you'll aspire to her ownership. Too few of her kind are ever offered!

Mark Mont Rosewood 5th x

Mark Mont Rosewood 35th is a solid red, deep and rich in her color and a prospect to be thoroughly considered. She has thickness, depth and the head of a breeding cow. A study of her inheritance lends assurance to her value. Her sire is a thick, solid red, short coupled, good headed bull who inherits his right to be a great sire thro Oakwood Merry King, Oakwood Emperor and Oakwood Rodney, each an International Grand Champion. Her dam is sired by a grandson of our own Royal Count Jr. and he is also a grandson of the International Junior Champion, Cumberland Sultan. The next dam is a granddaughter of Browndale Archer, the best breeding son of the celebrated Browndale Count. Garguson Challenger, who was a great sire, the undefeated Silver Heart and the 1920 International Grand Champion, Cloverleaf Royal, also appear in her pedigree.

We like this heifer and we like them bred her way. She sells mated to the 1945-46 Grand Champion, Alpine Sensation, and we are confident that she will drop a calf capable of winning in fast company.

Sand Prairie Sally x

Sand Prairie Sally is a thick, rugged, rich roan Bruce Mayflower with a background of fine performance. Her solid red sire, Maxwalton Walkaway, is one of the breed's greatest sires of top females selling, in his sixth year at \$2000, to McDonnell Farm, Millbrook, Illinois. Her dam is a granddaughter of Village Count Jr. who was a half brother to Oakwood Royal King and the sire of Count Coronet, an International Grand Champion. Her second dam is a granddaughter of Village Count, the sire of Oakwood Royal King — thus, combining good blood at its best.

If you like them with scale, depth, thickness and substance this lady will please. She sells mated to the 1945-46 Grand Champion, Alpine Sensation and that should assure her being doubly desirable.

Sand Prairie Butterfly is a solid red heifer that will be popular with everyone. Her head is broody, she is short of leg, deep of body and has a lot of weight for her age. She comes from a family well known as consistent breeders of the best. Her sire is a solid red grandson of Oakwood Chancellor who topped the 1930 International Sale and was sired by Royal Count Jr. and out of the top female in the 1925 Hultine Sale. Her second dam is by a granddaughter of the 1927 International Grand Champion, Oakwood Stanmore. She sells mated to Oakwood Crown Command and we will follow, with interest, the calf she will deliver for it will have all rights to achievement extraordinary.

Alpine Dorothy 8th x

Alpine Dorothy 8th is a solid red heifer chosen by everyone as the kind they aspire to produce and well they might. In 1943 we sold Alpine Dorothy 7th to J. M. Fishpaw and sons, Berryville, Virginia, and she was one of the best. This same family produced the 1944 Congress Champion bull, Alpine Royalist. In short, they are a great family of cattle! Her dam is a granddaughter of Imp. Helmsman, her second dam a granddaughter of Imp. Baronet, both sires of distinction at Sni-A-Bar Farms.

See her sale day and you'll want to own her for she is selling well forward to the mating of our 1945-46 Grand Champion, Alpine Sensation.

Walnut Grove Clipper

Walnut Grove Clipper is only offered as a distinct attraction for we hate to see her leave Oakwood. She is one of the last daughters of Oakwood Emperor, our 1936 International Grand Champion bull and we are sure that you will agree that she is one of his best prospects. From every angle she pleases. Good headed, deep bodied, roomy, level and full quartered.

Her dam is a dark, even roan and is very thick, low set and a heavy milker. Study her pedigree, note her sires, all of them, and remember that these Norton Clippers are of the best.

She sells mated to Oakwood Crown Command. Here is one that could really do great things for your herd in the next ten years.

Beauty 96th x

Beauty 96th is a dark, rich, roan heifer of outstanding brood cow promise. She just looks the part from any angle and her Manson Beauty pedigree is a reliable guarantee. Sweet of head and front, deep bodied, short legged, level, true and smoothly turned, she will be a favorite with critical buyers.

An ideal foundation heifer or one good enough to strengthen the strongest herd, she is deep in polled blood and from a dam that is an excellent milker. She sells mated to our 1945-46 Grand Champion, Alpine Sensation. His calves dropped recently are most impressive and we want you to see them on sale day. They are right in color, thick, low set and full quartered. Consider this heifer, her value and the worth of her mating. She will prove the wisdom of your decision to own her.

Volumes have been written about the kind of females to buy for foundation purposes. Goal of Quality is the kind every author has had in mind. Individually, she fills your eye from any angle. Her color is rich and right. Her pedigree is studded with bulls of note and for generations these Purdy Victorias have been eagerly sought after.

She is listed only as an attraction for we would truly like to keep her at Oakwood. If there's a "must" it surely would be a heifer like this, mated to the Grand Champion, Alpine Sensation.

Ceremonious Queen of Scots 8th x

If you like them thick and deep bodied and with plenty of scale you'll like this roomy middled, good headed Ceremonious Queen of Scots 8th. We feel she is one of the best. A granddaughter of our 1939 International Grand Champion, Oakwood Merry King. She is likewise a granddaughter of the International Grand Champion, Lee Dale Collynie. She is further strengthened by Highland Stamp, sire of her grand dam and easily one of the breed's best sires. Consider the bulls that warrant her worth. Study her with a thought of what she could do for your herd in the next decade. See her seven-eighths sister, Ceremonious Beauty 2d. Then visualize her calf sired by Oakwood Crown Command. Own her and you'll never regret it!

Successful breeders always like to buy cattle from families that have made good down through the years. Well, here's one to tie to, for this Broadhooks family has such a rating.

A solid red heifer, whose sire impressed everyone at the recent Lehnert Sale, she is one that is "saturated" with the best Oakwood blood. Oakwood Royal King, Oakwood Emperor, Oakwood Commander, Oakwood Royal Count, each a sire of top rank, they will "guarantee" her future.

She sells mated to Oakwood Crown Command. Check her for serious study — you'll find that she really merits it!

Royal Rosewood 3d x

Royal Rosewood 3d is a solid red heifer of modern pattern and a Bruce Rosewood of richest heritage. She is short of leg, thick, deep and with a lot of spread. She is level in her tail setting and full quartered. See the other daughter of the 1941 International Grand Champion, Coronet Command, being sold. Study Oakwood Crown Command, our Junior herd sire, and you will agree that Coronet Command is siring them right.

Her dam is by Gloster Dale, sire of the 1941 International Junior Champion bull and her second dam is sired by a grandson of the 1925 International Grand Champion, Mardale.

Her mating to the 1945-46 Grand Champion, Alpine Sensation, leaves nothing to be desired. Own her and you will be known as a breeder of the BEST!

Alpine Ruberta 16th is a solid red daughter of Collynie Impression, sire of the 1943 and 1944 Polled Shorthorn Congress Grand Champion bulls. She comes of the Lady Dorothy family and her pedigree is replete with the names of sires that have made history. She is line bred in the blood of Lord Collynie, the twice International Grand Champion, through her two top sires.

Note her excellent head, her thickness, her spread and her level lines — a true brood cow in the making. She sells mated to the 1945-46 Grand Champion, Alpine Sensation and the calf should be a REAL sensation. Own her and the years ahead will prove your judgement.

Seven Oaks Lady Mine x

Seven Oaks Lady Mine is a solid red heifer whose dam is accepted as one of the very best daughters of the peer of sires, Oakwood Royal King. This pedigree sparkles with International Champion bulls — five of them — and this Lady of the Meadow family has produced many of the best Polled Shorthorns in history. We'd strongly recommend that every beginner own one of this family in his foundation for they are tried and true!

She sells mated to Oakwood Crown Command and we wouldn't mind owning that calf for we know it should be one of unusual worth.

Dark colored, deep bodied, thick and level — deep in polled blood that has made history and from a family that has consistently produced "tops" — that's Red Oak Orange Blossom 25th. She's the kind to start with and build a herd around and she's the kind we like to have for the dams of herd bulls.

Both her sire and her granddam are by a polled grandson of the International Grand Champion, Browndale Goldspur. Her dam is by the same bull as Red Oak Goldie 3d, who is selling in the offering. See her too and you'll be convinced that this breeding will really do.

Mating to Oakwood Crown Command perfects her appeal.

Seven Oaks M Gwynne x

Seven Oaks M Gwynne is a full sister to the grand foundation heifer purchased last year by Dr. and Mrs. George E. Peters and this lady is of the same pattern. A volume could be written about the performance of these Gwynnes. In every herd they have made good. The Junior Champion bull shown by Cherry Hill Farm at the recent Maryland State Fair was out of one of them — another daughter of Gwynne's Martone 4th.

Gainford Gondolier, the Hosler herd bull whose daughters averaged over \$600 in four Oakwood sales, was also out of Gwynne's Martone 4th. Study her, consider such proven performance and visualize what her calf sired by Oakwood Command could be worth. What you invest in her isn't so important — it's her ownership that will count.

Gwynne Countess is a dark roan heifer of show yard calibre and type. She is deep bodied, short coupled, low set. — a 1946 model with style and character.

Her sire is doing an excellent job in the Cannaday herd and possesses depth, thickness and levelness — a real stock bull. This heifer comes from a great family and her dam is a granddaughter of the 1921 International Grand Champion, Oakwood Rodney — and then we have Gloster Renown and Ceremonious Master by the five times International Grand Champion, Ceremonious Sultan.

She sells mated to our 1945-46 Grand Champion, Alpine Sensation. Mark her for close inspection.

Lustre of Cedar Hills 4th is a solid red daughter of Collynie Count, son of Collynie Type 3d, the bull who is siring so many of the better kind for Cedar Hills Farm. The dam of this heifer is a heavy milking red cow of depth, thickness and scale.

This Lustre family has produced many of the best and they have an especially good record in the Thieman herd. Here is depth of polled breeding, backed by bulls that have written history. She sells mated to Oakwood Crown Command, whose calves guarantee the worth of this mating. Consider her thoughtfully for she could be one of the best buys of the day.

Scottish Butterfly is a dark, even, roan that should develop into a cow of scale, depth, thickness and substance. Her dam could be a member of the strongest herd in the land — a marvel of thickness, a heavy milker and a cow that pleases your eye. This Butterfly family has produced many of the best cattle down through the years. She is backed by good sires, is very deep in Polled blood and sells mated to Oakwood Crown Command. She is certain to produce a calf of distinction!

Lady Ramsden 3d x

Lady Ramsden 3rd is a rich, red granddaughter of the 1941 International Grand Champion Coronet Command and her sire, Royal Coronet, is making an impressive sire in the Dudley herd. His first crop of calves included both the top bull and the Grand Champion female in the last Shenandoah Valley Sale in Virginia. These Ramsdens have been consistently dependable producers of many of the breed's championship winners and we thoroughly expect this heifer to add further laurels to her family. Deep in polled blood, rich colored, level, smoothly turned and breedly, we offer her with full confidence. She sells mated to the 1945-46 Grand Champion, Alpine Sensation, and such should prove most desirable. Consider her well and you'll aspire to her ownership.

Oakwood Clipper x, sold in our 1945 sale. Her dam is a full sister to Gainford Clipper C x.

GAINFORD CLIPPER C — Remember Oakwood Clipper, the solid red heifer that opened the female offering in our 1945 Sale? Surely everyone present will recall her and that she went to J. M. Fishpaw & Sons, Berryville, Va. at \$1675. Gainford Clipper C is a full sister to the dam of Oakwood Clipper and she's of the same pattern. She isn't a show heifer but she can be one of the BEST PRODUCERS we are selling.

Check her pedigree and you will understand why she has the right to produce top cattle. Let us remind you, too, that this Clipper family is NOTED for such performance. Mated to Oakwood Crown Command. Who will boast in 1956 that they bought her at Oakwood in 1946?

Oakwood Ambassador x by Oakwood Lieutenant Commander x, purchased from C. B. Teegardin & Sons by Senor Ricardo Arocena, Montevideo, Uruguay. Lot 46 in this sale is by the same sire. In 1930 Senor Arocena paid the top price of the year for Oakwood Rodney x.

OAKWOOD HAPPINESS 7th — Oakwood Happiness 7th is one of the three daughters of Oakwood Lieutenant Commander being sold. He is the young sire exported to King Brothers of South Africa last season at \$4000 and the calves he has left here leave no doubt about his worth. See Oakwood Graduate, our winning senior bull calf offered in this sale. See Oakwood Mistletoe 4th and Juno of Oakwood. Then add the great calf, Oakwood Ambassador, recently sold to Senior Arocena in Uruguay. Your confidence in this heifer will be doubled!

Her dam is a three-fourths sister to Oakwood Harmony, three times a championship winner at the International and her sire is a son of the 1939 International Grand Champion and out of the same dam as Oakwood Commander, 1940 International Grand Champion. Her mating to Oakwood Crown Command leaves nothing to be desired, for he is siring calves of unusual promise. We will watch her calf with interest for it should be of championship calibre.

Heifer calves in pasture at Oakwood.

MARK MONT ROSEWOOD 36th — Mark Mont Rosewood 36th is a rich, red and a full sister in blood to Mark Mont Rosewood 35th. We have sold two heifers of this same breeding to Dr. John T. Mosely, Winnfield, Louisiana, and another to Z. D. Robertson of Abbeville, South Carolina, for foundation females.

This heifer is a pleasing prospect and we regret that we did not get a picture of her to show you. Collynie Rosewood 3rd was one of the greatest cows to ever leave the herd of that master breeder, William Duthie, and her descendants number among the tops in many herds. Through generations of good sires she inherits the right to make good and we are certain you will like her better when she drops her calf by the 1945-46 Grand Champion, Alpine Sensation.

ALPINE QUEEN OF BEAUTY 8th — Alpine Queen of Beauty 8th is another solid red heifer that is a granddaughter of Oakwood Emperor and out of a granddaughter of the 1927 International Grand Champion, Oakdale Stanmore.

This Queen of Beauty family has produced many of the best in the great herd of Bellows Brothers and the sires from top to bottom guarantee her excellence in type and individual merit. Cherry Hill Farm paid \$1000 for Alpine Queen of Beauty 5th in the 1944 Congress Sale and she was from the same dam. She is a top anywhere — thick, deep, roomy, low set and looks every inch a brood cow. She is well forward in calf to Oakwood Crown Command. When you study this pair, you'll be sure the calf will be of CHAMPIONSHIP CALIBRE.

57th DUCHESS OF GLOSTER — 57th Duchess of Gloster is a solid red, good headed heifer of the ever popular Duchess of Gloster family. Her dam is a heavy milker and is sired by a seven-eighths brother to Gainford Gondolier, the Hosler herd sire whose daughters have averaged over \$600 in four Oakwood Sales.

From top to bottom this pedigree boasts sires of note and she sells mated to the Grand Champion, Alpine Sensation. Her calf should be red and it is sure to be a good one, for Alpine Sensation's calves hold all the promise we had anticipated for them.

Oakwood Fortune 15th x. This good heifer sold to Harry Moore last year. Lot 50 in this sale is out of the same dam.

OAKWOOD FORTUNE 16th — Oakwood Fortune 16th represents the last daughter of the 1936 International Grand Champion, Oakwood Emperor, and this sale certainly will be your last chance to own a daughter of this noted sire and show bull. Her dam is a dark even, roan daughter of the peer of sires, Oakwood Royal King, a cow that has been a most consistent producer of top calves, from a family that has done well for our customers and all have been heavy milkers.

There will be few opportunities to buy females carrying 50% of the blood of Oakwood Royal King and they are certain to become more valuable with the passing of time.

She sells mated to our 1945-46 Grand Champion, Alpine Sensation. We regret that we did not get a picture of this heifer but we are showing you her sister sold in our 1945 sale to Mr. and Mrs. Harry L. Moore, Sharpsville, Pennsylvania.

IN THIS GREAT SALE

They all look happy . . . and they are happy. Those who attend Oakwood auctions are always delighted with the quality of the cattle and with the hospitality of the owners. Why don't you plan to attend the 1946 sale?

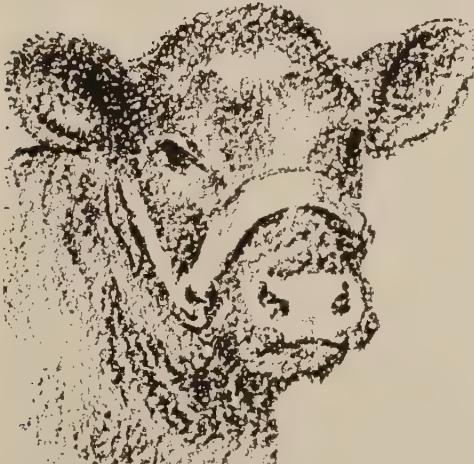

Teegardin Personalities

Mrs. Paul W. Teegardin, Miss Carol Teegardin and Paul W. Teegardin Jr. in informal poses at Oakwood Stock Farm.

We want to express our appreciation to Harvey Ferguson, our herdsman, and his assistant, Robert Bell. They have fitted the show herd, cared for the breeding herd and conditioned this sale offering. It has meant long hours of hard work and we commend them for their willing co-operation and loyalty.

Only at Oakwood could such a sale offering be assembled because only at Oakwood have eight International grand champion bulls been developed and used . . .

Left — Here are five of the beautiful brood matrons in the Oakwood Herd. Left to right — Oakwood Harmony, Oakwood Lavender 10th, Roan Lady of Oakwood, Oakwood Estelle 12th, the 1940 grand champion and Oakwood Julia. All are daughters of the International grand champions Oakwood Royal King and Oakwood Emperor. Many superior animals, bred just like these, are to be sold in this sale.

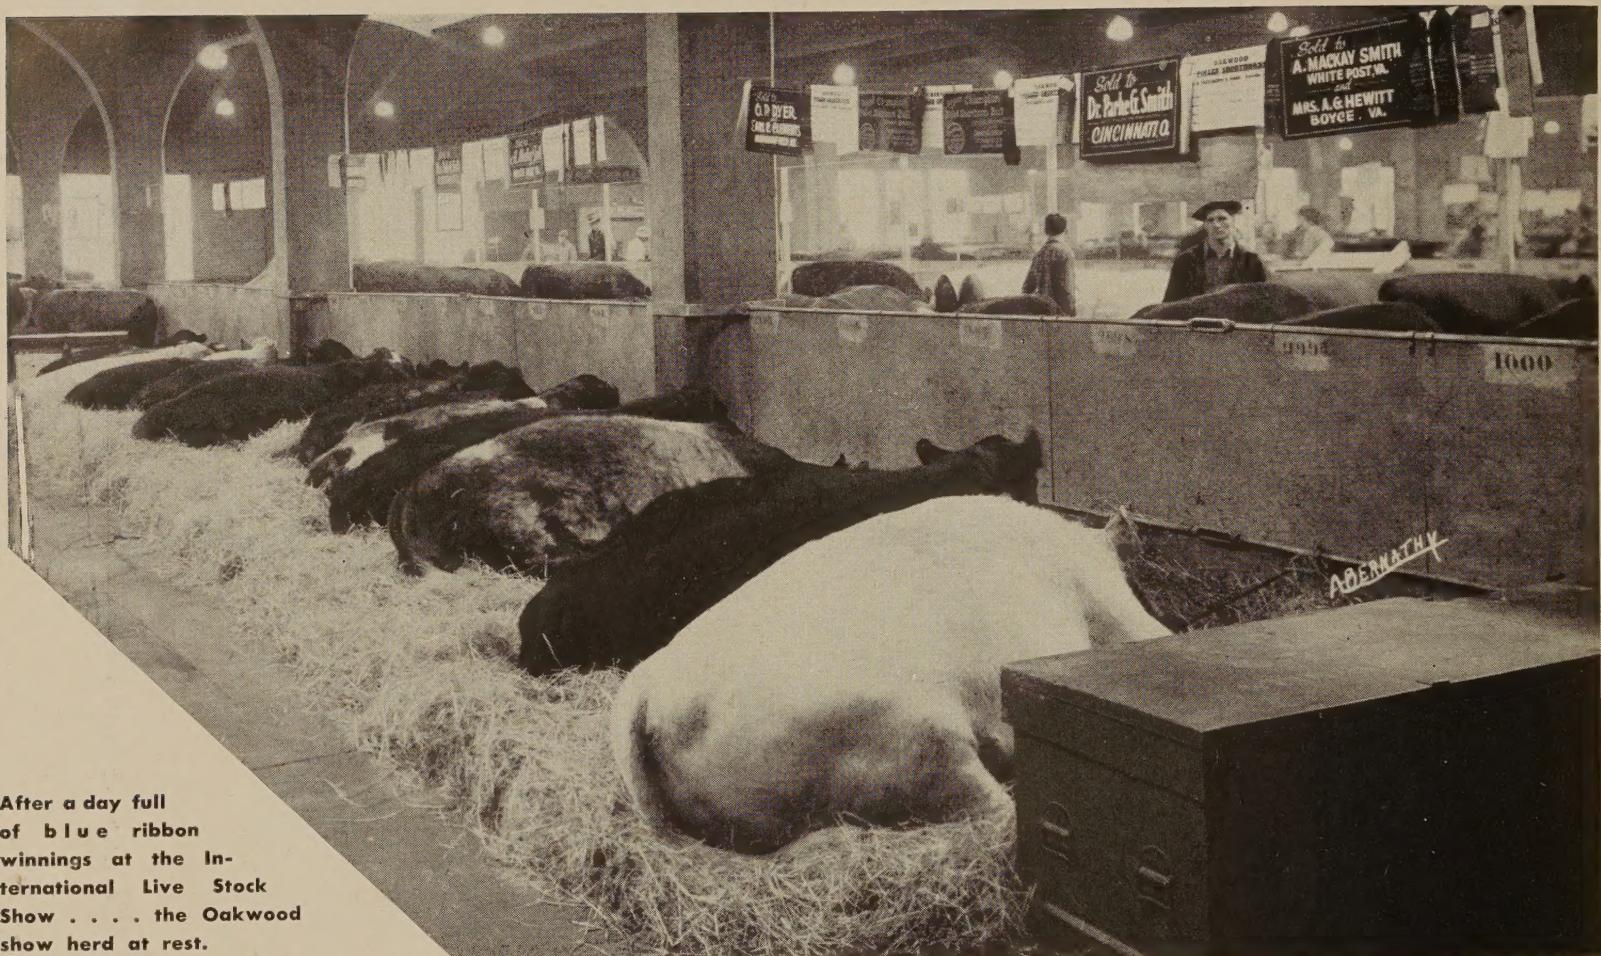

Right — Here are a few more of the heifers that will be included in our 1946 auction. All are members of the most fashionable Scotch families. All are superior individuals. Each will be a top in the herd of her new owner.

We raise good
pigs too . . .
